Program in American Language Studies Deregistration Policy

The cancellation of a student's enrollment or registration for any period of time is referred to as deregistration. Deregistration is an administrative action taken when a student fails to fulfill a financial obligation or established administrative deadline while enrolled at the Program in American Language Studies. Examples of financial obligations and/or administrative deadlines include, but are not limited to:

1. Non-payment of tuition, textbook fees, program fees, dormitory fees, rent, meal plans, health insurance premiums or late payment fees
2. Failure to meet an immunization requirement deadline or address immunization non-compliant status
3. Failure to submit a Financial Guarantee form from a scholarship benefactor (ex: SACM)
4. Failure to adhere to registration deadlines established by the Program in American Language Studies

The Director or Assistant Director of the Program in American Language Studies may initiate the deregistration process. When a student is deregistered, the International Student Advisor will notify the student that he/she is not permitted to attend any educational or school related activities, such as: Academic classes, Discovering America Trips, The Club, "WE" Magazine, exams, etc. while deregistered. The course instructors will also be notified. During the period of deregistration, the student will be assigned a grade of zero (0) for missed educational or school related activities, and will accumulate unexcused absences which will affect the student's visa status. The Program Coordinator will re-register the student once the student satisfies any and all financial or administrative obligations, and pays a re-registration fee of \$50.00.

I have read the PALS Deregistration Policy and agree to its terms. I also understand that the PALS Deregistration Policy is consistent with Rutgers University Policy.
